Nursery Newsletter

Autumn 1 – Week 8 –16th October 2026

Dear parents and carers,
Harvest is here! We would like to thank all of our parents for coming to watch our Harvest assembly.
The children were nervous but also very excited to perform and we think they did a fantastic job.

In Literacy this week we have been talking about our favourite fruit and vegetables. The children were very brave and we spent a lovely afternoon tasting some of our vegetables, thinking of some words to describe how they taste.

In Maths we have been counting objects we can see in our environment and matching the quantities to the correct numerals.

This week we made jam on toast, which was a lovely treat for a Wednesday afternoon. We practised how to use a knife to spread sticky jam on our crunchy toast.

Next week is our last full week before we break up for half term. Please make sure if you intend to change your child's Nursery hours, that the office is informed before next Friday (23rd October).

Have a lovely weekend,

The Nursery Team

Noticeboard

PE – every Tuesday

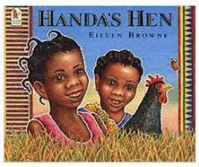

Nature walks (wellies required!) - every Wednesday

Library - every Friday

This week we have been learning…

Story of the Week

This week we have enjoyed reading 'Handa's Hen' by Eileen Browne.

Literacy

In Literacy this week, we have been developing our speaking and listening skills. We have been talking about different Harvest fruit and vegetables. The children have been talking about which vegetables and fruits they enjoy eating and which ones they do not like.

Nursery Rhyme of the Week

This week we have been singing 'Cauliflower's Fluffy'.

Numeracy

The children have been counting objects and matching the objects to the correct numerals. We have been learning how to write numbers too.

Makaton Sign of the Week

Home Learning

Can you draw a picture of your favourite story? Bring your drawing to school and we will display your wonderful pictures. Don't forget to write your name and the story title on your drawing.

Notice Board

Library Books

Our class library day is every Friday. Each week your child will choose their own story book for you to read together at home. Please return the library books each Friday morning so your child can choose a new book to share!

Independent Skills

We aim to teach the children to be very independent from day one, such as, opening their own lunch, zipping their coats, changing their clothes and going to the toilet.

Please ensure your child can recognise their own toileting cues and can independently go to the toilet, flush the chain and wipe themselves.

We understand that accidents will occur in school from time to time, where we can support your child. Please pack plenty of spare underwear in their school bags.

Spare Clothes

Please can we ask that children come into Nursery wearing jogging bottoms, **not leggings**. Leggings can be extremely difficult to remove when wet. We would also like to ask if spare clothing also contains spare joggings bottoms, not tights, leggings or jeans. Thank you!

Cold Weather

As the weather gets colder, please remember to send your child with a coat every day. Hats and gloves must be named as well.
