Nursery Newsletter

Autumn 2 – Week 1 – 6th November 2026

Dear parents and carers,

Autumn 2 is here! It has been wonderful to see the children return to school after half term, ready to begin our next exciting learning chapter!

This week, we have been learning and celebrating about Bonfire Night and talked about how some people like to celebrate with fireworks. We created some beautiful firework pictures using a range of media and materials to represent the bright colours and loud sounds we might see and hear. Of course, we had to finish the week with a *bang* — so we carried out an exciting bicarbonate of soda and vinegar experiment!

Literacy and Maths have been very cross curricular this week as we have been reading a Maths counting book called One to Ten and back again. The children have been learning to recognise the numbers and identify numbers hidden in our classroom. We spent some time talking about the front cover of our book and discussed how the cover picture can tell us what the story is about.

We look forward to sharing more of our exciting learning with you this half term which is always an exciting one in the build up to Christmas.

Have a lovely weekend,

The Nursery Team

Noticeboard

PE – every Tuesday

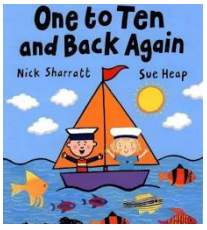

Nature walks (wellies) - every Thursday

Library - every Friday

This week we have been learning…

Story of the Week

This week we have enjoyed reading 'One to Ten and Back Again'.

Literacy

In Literacy this week, we have been discussing the front cover of our story book 'One to Ten and Back Again'. We learnt that the picture can tell us what the story is about. We learned that books are written by someone called an author.

Numeracy

The children have been identifying numbers in books, stories and rhymes. We have been learning to write numbers using the correct formation.

Theatre Trip - Thursday 12th November

We are looking forward to joining Winnie the Witch on her broomstick for a magical morning at the theatre. Please make sure all children arrive at Nursery on time (8:30) Everyone will need a home packed lunch that will be eaten when we return to school at 12:30pm. Please make sure your child comes to Nursery with a coat as there will be a short walk between the coach drop off point and the theatre doors.

Home Learning

Can you practise writing your numbers?

Notice Board

Library Books

Our class library day is on Friday. Each week your child will choose their own story book for you to read together at home. Please return the library books each Friday morning so your child can choose a new book to share!

Independent Skills

We aim to teach the children to be very independent from day one, such as, opening their own lunch, zipping their coats, changing their clothes and going to the toilet. Please ensure your child can recognise their own toileting cues and can independently go to the toilet, flush the chain and wipe themselves.

We understand that accidents will occur in school from time to time, where we can support your child. Please pack plenty of spare underwear in their school bags.

Spare Clothes

Our learning in nursery can get very messy! Mud from our sensory kitchen, water, sand, paint and more! Please ensure to pack plenty of spare tops and bottoms. You can keep a bag of spares in nursery if you prefer. Please remember to keep topping up your child's spare clothes bag once they have had an accident. If your child does need to borrow spare clothes from school, please can they be returned as soon as possible.

Cold Weather

As the weather gets colder, please remember to send your child with a coat every day. Hats and gloves must be named.
