Dear Parents and Carers,

Welcome back to everyone after the half-term break! I hope you all enjoyed some time together as families and that the children are feeling refreshed and ready for the busy weeks ahead. I would also like to wish a very happy Diwali to all our families who celebrated at the weekend.

We are looking for some willing volunteers who would be able to spare a little time to listen to our Year 1 children read in the school library. This is a lovely opportunity to support our younger pupils as they develop their reading skills and confidence. If you are interested in helping, please do get in touch with the school office. We would be very grateful for your support!

A huge well done to our Boys' A Team, who made a fantastic start to their football season with an impressive 4–2 victory over perennial champions South Hill School! Goals from Archer, Louie, Theo and Ben secured a brilliant result. Congratulations to all the boys, and a big thank you to Mr Croft and Mr Roberts for their time and commitment in coaching the team.

Our Boys' B Team have also started training and are doing really well. It is great to see so much enthusiasm and commitment from the boys. Thank you to Mr Clarke for giving his time to coach and encourage them.

I do need to raise some concerns about parking and driving around the school, as I have noticed some increasingly unsafe situations recently. Please do not park on the yellow zigzag lines at the corner of High Ridge Close. These markings are there for a very important reason; to protect our children and ensure that drivers have a clear view.

I would also ask parents not to reverse into High Ridge Close or the snicket. I have personally witnessed some near misses involving children walking behind reversing vehicles, which is extremely worrying. It only takes a moment for a serious accident to happen. I appreciate that drop-off and collection times can be busy, but no amount of convenience is worth putting a child's safety at risk. Please take extra care and help us keep everyone safe.

As part of our ongoing commitment to keeping everyone safe, we carry out regular fire drills each term. Today, we also practised our invacuation procedure. This is when everyone comes safely inside the school building in response to a potential risk outside, such as an unfamiliar dog on the school field.
I am pleased to report that the practice went very well. The children listened carefully, followed instructions and moved calmly and sensibly into the building. Well done to everyone!
