Dear Parents and Carers,

What a busy and colourful week we have had in school! It was wonderful to see so many children wearing their odd socks to mark Anti-Bullying Week. This was a lovely way to celebrate individuality and reinforce the importance of kindness, respect and accepting others for who they are. The messages linked particularly well with the NSPCC assemblies that we were already delivering across the school, helping children to understand the importance of speaking up, staying safe and treating one another with care and consideration.

On Friday, the school was also awash with spots as children and staff made a fantastic effort to support Children in Need. Thank you to everyone who took part and helped raise awareness of such an important cause.

Our Year 3 children were fortunate to receive a special visit from Hertfordshire Music Service, building on the wonderful opera workshops they experienced last year. We are particularly lucky to have been selected as one of only a small number of schools to benefit from this opportunity. It is fantastic for our children to have access to such enriching musical experiences, and we are very grateful to Hertfordshire Music Service for continuing to work with us.

Meanwhile, our EYFS children enjoyed a very exciting trip to the theatre in Radlett to watch Room on the Broom. What a wonderful experience for our youngest children, bringing a much-loved story to life on stage! A huge thank you to all the parent volunteers who gave up their time to accompany the children and help make the visit possible. We really do appreciate your support.

Finally, our Boys' A Football Team continue their impressive winning streak, this time with a fantastic 8–1 victory against Chambersbury! The boys are clearly full of confidence and playing some excellent football. A huge well done to the whole team for another outstanding performance. Special thanks, as always, to Mr Croft and Mr Roberts for their continued commitment and enthusiasm. I think it is fair to say that the two of them are walking on air at the moment! Long may the winning run continue!

Following my reminder last week about parking safely and considerately around the school, we have received a couple of further complaints from local residents about parents parking across their driveways during drop-off and collection times. Please can I ask everyone to be mindful of our neighbours and ensure that driveways are never blocked, even if you are only stopping for a minute or two. What might seem like a very brief stop can cause considerable inconvenience to residents who need to access or leave their properties. We are fortunate to have a supportive local community, and I would really appreciate everyone's cooperation in helping us maintain positive relationships with our neighbours.

As we approach the Christmas period, I would also like to remind families of the importance of maintaining good attendance right through to the end of term. I appreciate that this can be a tempting time to arrange trips away or extend the Christmas holidays, but please remember that teaching and learning continue right up until the final day of term.

Missing even a few days of school can have a significant impact, both educationally and socially. Children can miss important learning that forms the foundation for future lessons, as well as opportunities to work collaboratively with their classmates, strengthen friendships and take part in the many shared experiences that make school life so special. This is particularly important towards the end of term, when children are often involved in activities and events that bring their classes together. Thank you for your support in ensuring that children attend school every day unless they are genuinely unwell. It really does make a difference.
